At the present time all preparations for the Reserve Seminar, beginning 6 August 1962, have been completed. However, I notice that we have not received your biographical sketch yet, which we requested in our letter of 16 May 1962.

It would be appreciated very much if you would forward such sketch to us in order that we can include it as part of the discussion outline, a copy of which is given to each student.

As soon as you have made your plans for coming here, please let us know so we can arrange for accommodations, etc.

Sincerely yours,

K. A. Konopisos
